The table in the notice shows the current fees and costs outlined in the AET small APRA Fund – Product Disclosure Statement dated 1 December 2022, and what the new fees and costs will be when the new PDS is issued on 1 May 2023.</p> <p>The attachment also includes an updated example of annual fees and costs, and some additional information to help explain the change.</p> <p>The fees and costs are increasing because they have not increased for many years and therefore have not kept up with the costs involved in continuing to provide SAF Trustee services.</p> <p>The increase is necessary to support continued provision of quality superannuation trustee services (including fund administration and asset custody).</p> <p>Refer to the SEN and the PDS and General Reference Guide, including the Additional Explanation of Fees and Costs section, for further details.</p>	All Small APRA Fund members.

29 May 2023	Changes to fees for members on a rate card agreement with an adviser	<p>Fees and costs for this group of members will increase with effect from 1 July 2023 and not 1 May 2023 as advised in the letter issued on 10 March.</p> <p>A special fee arrangement that was entered into with the adviser for this group of clients has been terminated. However, a notice period was applied to the termination and so fees and costs for these members were not increased on 1 May and their prior fee and cost arrangements have temporarily continued.</p> <p>Those arrangements will now change over on 30 June 2023. Effective from 1 July 2023, affected AET SAFs will be charged the revised fees and costs as set out in the Product Disclosure Statement (which was dated 1 May 2023 and referred to in the previous letter issued on 10 March).</p>	Small APRA fund members on a rate card agreement with an adviser
